The works are expected to commence shortly and the construction period is anticipated to be 5 days. Affected residents will be informed before rehabilitation works commences.

Every effort will be made, to carry out the work during the "off-peak" periods and to, most appropriately, accommodate traffic so as to minimize any delay

For further enquiries, contact Johan Fullard on 021 808 8222.

PAD REHABILITASIE

Neem asb. kennis dat die Direkteur: Infrastruktuurdienste, as deel van die padrehabilitasie-program, beplan om pad rehabilitasie op **Maraisstr** and **Banhoek Pad** te doen

Daar word verwag dat die werke binnekort 'n aanvang sal neem, en dat die konstruksie periode min of meer 5 dae sal duur.

Moeite sal gedoen word om werke uit te voer in die nie-spits periodes en daar sal gepoog word om verkeer so te herlei dat motoriste so min as moontlik verontrief word.

Die munisipaliteit vra om verskoning vir die ongerief en bedank u by voorbaat vir u samewerking en geduld. Kontak asb vir Johan Fullard by 021 808 8222 vir enige verdere navrae.
