2. COMMUNICATIONS

2.1 MAYORAL ADDRESS

“Goeie dag, good day, molweni, as-salaam alaikum.

Hoop u het die beste van die resestydperk gemaak

- Bly om te sien u is veilig terug
- Verwelkom ook die twee nuwe raadslede by ons.
  - Gaynore Cele – ACDP
  - Lincoln Stander – ANC
- Begin van die nuwe finansiële jaar en die MM en haar span is hard aan die werk om seker te maak dienste word gelewer aan ons inwoners.
- Nelson Mandela het gesê: It is in your hands to make of the world a better place.
  - Verlede week het ons as ’n land, saam met baie ander lande in die wêreld, dit probeer doen ter nagedagtenis van die nalatenskap van Nelson Mandela gevier
  - Madiba sou op 18 Julie 100 jaar oud geword het.
  - Daarom het Stellenbosch Munisipaliteit saam met honderde organisasies en duisende mense wêreldwyd, 67 minute tyd geskenk aan mense en instansies wat dit nodig het.
  - Munisipaliteit se amptenare het verskeie projekte in samewerking met ander organisasies regoor die munisipaliteit aangepak.
  - Ek en die MM het gaan sop skep by ’n gemeenskap sopkombuis in Lanquedoc, saam met SALGA
  - Toebroodjies aan die sopkombuis geskenk
  - Municipal Employees also assisted with the following
    - The upgrading and maintenance of the Kabouterland Educare crèche in Groendal;
    - A blanket drive where employees donated blankets in the run-up to Mandela Day as well as on the day. The blankets were donated to local shelters;
    - The Establishment of community crèche in La Motte, Franschhoek;
    - The painting of the Little Builder’s crèche in Cloetesville as well as the installation of herb garden;

Thank you to all our officials who took part and made a contribution to this day.

- Minister Dan Plato het onlangs 12 nuwe buurtwagte van die breër Stellenbosch gemeenskap geakkrediteer tydens ‘n amptelike geleentheid.
- Akkreditasie is belangrik want dit help om die buurtwagte te formaliseer en toe te rus met die nodige toerusting.
- Wanneer die buurtwag geakkrediteer word deur die Departement, ontvang hulle ‘n amptelike sertifikaat as bewys en ‘n loodspak wat glimbaadjies, flitse, fluitjies, mediese noodhulpkissies en noodligte vir ‘n voertuie insluit.
- Akkreditasie stel die buurtwag ook in staat om opleiding te ontvang vanaf die Departement of van die deelnemende vennote.
- Buurtwagte is ‘n belangrike skakel om ons veiligheidsnetwerk te verskerp en dien werklik as oë en ore van hul gemeenskap.
- Opregte dank aan inwoners wat deel vorm van buurtwagte! Julle maak ‘n enorme verskil in julle gemeenskappe.

- In June we conducted our first ever housing summit.
- The summit was geared towards gathering all the stakeholders who could possibly play a role in housing, including the agricultural sector and other private partners to talk about solutions for the housing challenge we face.
- As a municipality, we realise that it is impossible to address the growing crisis of housing without the assistance of the private sector in particular.
- Minister Madikizela and myself addressed the summit about the challenges we deal with every day and invited the private stakeholders to make suggestions.
- I am very satisfied that our first housing summit has shown the willingness of the private sector to actually work with local government in expediting housing delivery in a sustainable way.

- Op 9 Augustus herdenk en vier ons Nasionale Vrouedag
- Regte en uitdagings wat vroue elke dag in die gesig staar het internasionaal baie aandag geniet die afgelope jaar.
- Dink aan die Me Too-beweging asook die Time’s Up-beweging wat internasionaal baie aandag ontvang het en wat veral gefokus het op die seksuele teistering van vroue in die werkplek.
- In Suid-Afrika staar baie vroue steeds huishoudelike geweld in die gesig.
- Ons moet hierdie dag gebruik om die krag van ons vroue te vier,
- Hul deursettingsvermoë en volharding help ons om gemeenskap te bou wat omgee.
- Sien uit om saam met die vroue van Stellenbosch die besonderse dag te vier.

**Oprah Winfrey het gesê: Think like a queen. A queen is not afraid to fail. Failure is another stepping stone to greatness.**

"Thank You."

1. SUBJECT: ADOPTION OF COMMUNICATION POLICY

2. PURPOSE

To approve the Communication Policy.

3. DELEGATED AUTHORITY

Council approves policy.

4. EXECUTIVE SUMMARY

The item outlines the objectives and key intentions of the Communication Policy (APPENDIX 1). It further provides a summary of the Communication Policy’s purpose and addresses financial, legislative and staff implications.

The Municipality has made steady improvements in its attempts to streamline and formalise its communications with residents, businesses and other stakeholders. Ensuring that the right messages reach the intended audiences on the most appropriate platforms is an on-going task, which we aim to execute successfully with the guidance of this policy.

The aim of this Policy is to ensure that all forms of communication takes place in a well-coordinated and professional manner. This will allow us to consistently design clear and uniform messages that are able to support the realisation of the Municipality’s Strategic Objectives.

The Communication Policy seeks to ensure that the Stellenbosch Municipality acknowledges the importance of Communication as a strategic management function and a fundamental part of its daily functioning. The Policy will guide all communication efforts, ensuring that they are always aligned to our vision, mission and values. The new policy is a newly drafted policy and not a review of the current Policy.
The Policy will provide clear procedural direction for the Communication Department and streamline communication efforts. It furthermore aims to provide direction and guidance on how the Stellenbosch Municipality conducts both internal and external communication, to promote –

• an informed and empowered workforce;

• public participation and effective two-way communication between the Municipality and all external stakeholders; and

• the Stellenbosch Municipality brand as a whole.

The policy served at the Executive Mayoral Committee meeting in May 2018 and was referred to the portfolio committee for consideration and to make recommendations to the Executive Mayor before it is recommended to Council. The portfolio committee discussed the policy in June 2018 and recommended that the policy be approved as per the attached document.

1. **SUBJECT:** NE INDUSTRIES (PTY) LTD – APPLICATION FOR COURT TO RE-REGISTER THE COMPANY AND TO DECLARE ITS PROPERTY, ERF 66 KAYAMANDI, AS NO LONGER BEING *BONA VACANTIA*

2. **PURPOSE**
To request Council approval to make application to the Court for the company to be reinstated and the property to be declared executable for purposes of satisfying the debt.

3. **DELEGATED AUTHORITY**
Council to approve.

4. **EXECUTIVE SUMMARY**
NE industries (Pty) Ltd is the single, largest debtor on the municipality’s debtor book. Outstanding debt amounts to R3 495 258.64 at time of writing this item. The company was de-registered by CIPC in 2010, and all normal debt collecting measures have therefore been ineffective.

The only recourse open to the municipality is to make application to a court for the company to be reinstated to enable the municipality to obtain a court order that the immovable property can become executable for purposes of satisfying the debt.

The reinstatement of the company will then enable the municipality to institute legal action against the debtor to obtain an order of attachment of the property on which rates and taxes are owed. The result will be that the immovable property, which is situated in Kayamandi, could be sold in execution. Should a suitable buyer not be found, the municipality can take ownership of the land by purchasing it for a nominal amount at the sale in execution. Council will be requested to write off the irrecoverable, outstanding debt to close the outstanding debt matter.

**18TH COUNCIL MEETING: 2018-07-25: ITEM 7.4.1**

**RESOLVED** (majority vote)
that Council approves the institution of a court application to:

(i) Reinstatate NE Industries (Pty) Ltd in terms of Section 83(4) of the Companies Act;

(ii) Declare the immovable property more fully described as Erf 66, Kayamandi, Stellenbosch, to be no longer *bona vacantia*;

(iii) Request judgment to the amount of the outstanding debt of at least R3 495 258.64; and

(iv) Declare the immovable property described as Erf 66, Kayamandi, Stellenbosch especially executable.

On the 25th of December 2017 the Wemmershoek Waste Water Treatment Plant experienced mechanical faults at the Primary Treatment Area of the Plant, namely the Inlet Works. During a routine inspection the process controller observed that screen 1 was not operational. After further investigation it was found that the screen chain came off track from the bars and unable to function. Although the in-let screens works on a duty and standby setup, at high flow screens are required to operate. Insufficient screening at high flow will lead to water bypassing the screens and impact on final water quality. In order to get both screens operating as soon as possible an external service provider was contacted to resolve this matter. Due to the holiday season other service providers was contacted were reluctant to come and investigate and Tunitrim was the only service provider that responded. The whole screen had to be removed from its housing and stripped in order to do the necessary repairs once fixed it had to remounted back into the screen housing.</td>

18TH COUNCIL MEETING: 2018-07-25: ITEM 7.5.1

RESOLVED (nem con)

1. SUBJECT: PROPOSED EXCHANGE OF LAND: A PORTION OF REMAINDER FARM 387, STELLENBOSCH FOR A PORTION OF LEASE AREA 377A: VREDENHEIM (PTY) LTD

2. PURPOSE

To obtain Council's in principle approval for the proposed exchange of land.

3. DELEGATED AUTHORITY

The Municipal Council must decide on the matter, as this involves the disposal of municipal land.

4. EXECUTIVE SUMMARY

On 2017-11-29 Council mandated the Municipal Manager to conclude an agreement with the owner(s) of Remainder Farm 387 (Vredenheim), with the view of securing an access servitude(s) or to purchase/exchange of land for this purpose and/or for additional housing. Following various discussions with Elzabé Bezuidenhout of Vredenheim, agreement was reached to exchange a portion of Farm 387, Stellenbosch (Vredenheim property) for a portion of Lease Area 377A (municipal land).

The agreement however was subject to a suspensive condition that the Stellenbosch Municipal Council must approve the disposal of the said portion of Lease Farm 377A in terms of Section 14 of the MFMA.

Council must now consider the proposed exchange of land.

7.5.3 PROPOSED CEEDING OF LONG TERM LEASE AGREEMENTS: LEASE FARMS 502AX, AY AND BC: HELDERVALLEY FARMING ASSOCIATION

Collaborator No:  
IDP KPA Ref No:  
Meeting Date: 25 July 2018

1. SUBJECT: PROPOSED CEEDING OF LONG TERM LEASE AGREEMENTS: LEASE FARMS 502AX, AY AND BC: HELDERVALLEY FARMING ASSOCIATION

2. PURPOSE

To obtain Council’s approval for the ceding of 3 long term Lease Agreements to the Heldervalley Farming Association. Alternatively, that Council approve, in principle, that a new long-term lease be concluded with Heldervalley Farming Association.

3. DELEGATED AUTHORITY

In terms of the approved System of Delegation the Executive Mayor, in consultation with Mayco, has the delegated authority to consider the ceding of Lease Agreements (See delegation 537).

Should this application, however, be treated as a new agreement on a private treaty basis (i.e. not a ceding of rights), only Council can make the decision.

4. EXECUTIVE SUMMARY

Stellenbosch Municipality concluded three (3) long-term Lease Agreements with HC Myburgh Boerdery on 1 April 1991.

During 2013 Mr Myburgh approached the Municipality with a written request to cede the lease agreements to the Heldervalley Farming Association.

Before a formal agreement in this regard could be reached, Mr Myburgh passed away. Although the ceding was never formalised, the Heldervalley Farming Association used the land for farming purposes as from 2008.

The Heldervalley Farming Association, through the Heldervalley Community Forum, has now requested that the matter be finalised.

7.5.4 PROPOSED RENEWAL OF VARIOUS LEASE AGREEMENTS

Collaborator No: 
IDP KPA Ref No: 
Meeting Date: 

18 July 2018

1. SUBJECT: PROPOSED RENEWAL OF VARIOUS LEASE AGREEMENTS

2. PURPOSE

To obtain Council’s approval for the renewal of various Lease Agreements.

3. DELEGATED AUTHORITY

In terms of delegation 530 the Executive Mayor may “grant a right to use, control or manager a fixed capital asset, up to an annual contract value not exceeding R5M, subject to compliance with Regulation 34(1) of the Asset Transfer Regulations”.

In terms of paragraph 9.22 of the Property Management Policy however, only the Municipal Council may consider an application to dispense with the prescribed, competitive process. For this reason the Municipal Council must consider the matter under discussion.

4. EXECUTIVE SUMMARY

Various Lease Agreements terminated over the past few years, where the contracts did not allow for an automatic renewal. The Supply Chain Management Policy (at the time) also did not provide for the renewal of these agreements without following a tender process. For this reason the agreements were “kept alive” on a month-to-month basis.

The new Property Management Policy however, now allows for a process whereby Council can dispose with the prescribed, competitive process.

1. SUBJECT: PROPOSED DISPOSAL OF A PORTION OF REMAINDER FARM 1653, PAARL (LA MOTTE) TO THE PROVINCIAL DEPARTMENT OF TRANSPORT AND PUBLIC WORKS FOR EDUCATIONAL PURPOSES

2. PURPOSE

To obtain Council’s approval on the possible disposal of a portion of Remainder Farm 1653, Paarl (La Motte).

3. DELEGATED AUTHORITY

For decision by Municipal Council.

There are no delegations in place authorising the disposal of fixed capital assets in terms of Section 14 of the Municipal Finance Management Act. The municipal Council is therefore the decision-making authority.

4. EXECUTIVE SUMMARY

At a previous Council meeting Council approved, in principle, the disposal of a portion of land to the Provincial Department of Transport and Public Works for the purpose of building a new school.

This decision, however, was subject to:

a) the property being transferred to Stellenbosch Municipality; and
b) a feasibility study being completed.

Both these conditions have now been met, paving the way for Council to make a final decision in this regard.

18TH COUNCIL MEETING: 2018-07-25: ITEM 7.5.5

RESOLVED (majority vote)

(a) that a portion of Remainder Farm 1653, as identified in the Site Assessment Report, measuring approximately 1.8ha in extent (still to be determined), be identified as land not needed to provide the minimum level of basic municipal services;

(b) that the market value, as determined by the independent valuer, be determined as R1 100 000.00 (excluding of VAT);

(c) that approval be granted for the transfer of the property to the Provincial Department of Transport and Public Works, for the purpose of a school, at no cost (gratis transfer), taking into account the community value of the project, on condition:-
i) that the Department be responsible for all cost related to the rezoning, subdivision and transfer, including, but not limited to survey and legal costs;

ii) that the Department be accountable for the upgrading of bulk infrastructure should the need arise, and for making a contribution toward the Bulk Infrastructure Fund, as per the approved tariff structure at the time of approval of the site development plan, and

iii) that the Department be responsible for all service connections at the prevailing rates;

(d) that the Department be given occupancy of the land with immediate effect, to enable them to attend to the planning/building plan approvals; and

(e) that the Municipal Manager be authorized to sign all documents necessary to effect transfer of the land.

Councilor DA Hendrickse requested that it be noted that, in his view, insufficient information on this item was submitted.

7.6 INFRASTRUCTURE: [CLLR J DE VILLIERS]

7.6.1 UPDATE REPORT ON THE DROUGHT SITUATION AS WELL AS COSTING THEREOF

1. SUBJECT: UPDATE REPORT ON THE DROUGHT SITUATION AS WELL AS COSTING THEREOF

2. PURPOSE

To provide Council with an update on the drought situation and the preparation of augmenting and the supply of water as well as the costing thereof.

3. EXECUTIVE SUMMARY

Stellenbosch Municipality found in May 2017 that if the water consumption level continues as in the past and if the same rainfall is experienced in the past year then the water supply to Stellenbosch would have been depleted in May 2018. In order to manage this risk Stellenbosch Municipality created a Drought Management Plan to augment the water supply such that Stellenbosch Municipality will be able to supply its inhabitants with water at Level 6B restrictions regardless of the state of surrounding dams.

Stellenbosch declared a local state of emergency in June 2017 which was overtaken by a State of Disaster declared by National Government on March 2018. Plans were made to ensure the sufficient supply of water as per the Bill of Human Rights of the Constitution.

An amount of R15 000 000 was transferred for the purpose of investigating and drilling of water as well as reducing leaks and controlling water demand. This amount was increased to R45 000 000 during the latter months in 2017 in order to appoint drilling contractors and plan for purification units. This amount was then enlarged to R67 000 000 during the budget adjustment process, in order to purchase the purification plants as well as the electricity supplies and pipe connections needed. The difference between R45 000 000 and R67 000 000 was made up moving funds within the budget and not the increase of the total budget.

All of the water augmentation plans have been successfully sourced and all purification plants have been placed on the various sites. Three of these sites are waiting on Eskom to finalise electricity connections and would be operational within the next month.

Stellenbosch has achieved the target of being able to supply water to its community with an alternate water source independent on the main Western Cape Dams, but at the current Level 6B water restrictions.
RESOLVED (nem con)

(a) that the report be noted;

(b) that it be noted that approximately R67 100 000 will be spent on the 2017/18 budget;

(c) that it be noted that a further approximate amount of R11 000 000 will be spent on the 2018/19 budget to finalise the borehole drilling project; and

(d) that it be noted that the current Level 6B water restrictions will remain in place until sufficient water is available in dams to last until beyond the next winter.

To obtain Council’s approval for the introduction of a Reservist Policy.

(ANNEXURE A) for the Fire Services.

3. DELEGATED AUTHORITY

For decision by Mayoral Committee and Council.

Legal framework:
Fire Services Act, Act 99 of 1987
Disaster Management Act, Act 57 of 2002
Disaster Amendment Act, Act 16 of 2015

4. EXECUTIVE SUMMARY

There is a great need for assistance for non-uniform members of society to assist the fire department in times of major incidents. The demand and requests to offer assistance through volunteering also often exceeds our expectations as the department are inundated with requests for voluntary/reservist work from people from all walks of life and with various skills and knowledge.

The establishment of a reserve force, consisting of professional emergency medical practitioners, trained fire fighters and other auxiliary personnel can be seen as an amicable alternative to the manpower shortages that are experienced from time to time, especially during major incidents. It could also assist in overcoming service delivery challenges faced associated with our vast the area of coverage and budget restrictions in terms of requesting (overtime) additional manpower.

The adoption of such policy will undoubtedly strengthen the department’s hand in acquiring young energetic reservist; assist in the grooming and securing future professional fire fighters for Stellenbosch municipality and maintaining a state of readiness.
RESOLVED (majority vote)

that the draft Reservist Policy be supported and same be re-submitted to Council for adoption.

7.10.1 APPOINTMENT OF THE SELECTION PANEL IN THE RECRUITMENT AND SELECTION PROCESS: CHIEF FINANCIAL OFFICER

Collaborator No:
IDP KPA Ref No: Good governance and Compliance
Meeting Date: 18 and 25 July 2018

1. SUBJECT: APPOINTMENT OF THE SELECTION PANEL IN THE RECRUITMENT AND SELECTION PROCESS: CHIEF FINANCIAL OFFICER

2. PURPOSE OF REPORT

To appoint a selection panel for the recruitment and selection process of the Chief Financial Officer.

3. DELEGATED AUTHORITY

Municipal Council.

4. EXECUTIVE SUMMARY

The contract period of Mr Marius Wüst, Chief Financial Officer, comes to an end on 30 September 2018. The post has been advertised and closes on 16 July 2018. The Municipal Manager is in the process of appointing a consultant to assist with the recruitment and selection process. Council has to appoint a panel that must make recommendations for the appointment of a candidate for the vacancy that will arise when the contract of the CFO ends on 30 September 2018.

The selection panel must consist of at least 3 but not more than 5 people. The 3 people are prescribed by legislation and must be the Municipal Manager, chairperson or councillor responsible for the relevant portfolio, Finance in this instance, and a person who is not a councillor or a staff member and who has expertise in the area of the advertised post. The legislation, Section 12(4) of the Regulations on the appointment of Conditions of Employment of Senior Managers, is silent on who should be the other two members should council choose to have more than 3 members on the panel. It is recommended that Council appoint a three member panel as prescribed in Section 12(4).
RESOLVED (nem con)

that Council approves the recruitment and selection panel consisting of the following persons:

(i) Municipal Manager, Geraldine Mettler, who will chair the panel;
(ii) Mayoral Committee member for the Finance Portfolio: Councillor Salie Peters; and
(iii) An external person who is a financial expert, i.e. the Chief Financial Officer from a neighbouring municipality.

7.10.2 APPOINTMENT OF ACTING MUNICIPAL MANAGER WHEN THE MUNICIPAL MANAGER IS NOT AVAILABLE

Collaborator No:  
IDP KPA Ref No: Good governance and Compliance  
Meeting Date: 18 and 25 July 2018

1. SUBJECT: APPOINTMENT OF ACTING MUNICIPAL MANAGER WHEN THE MUNICIPAL MANAGER IS NOT AVAILABLE

2. PURPOSE

To approve the Directors who will act as the Municipal Manager when the Municipal Manager is not available.

3. DELEGATED AUTHORITY

Council

4. EXECUTIVE SUMMARY

In 2012 Council approved a roster of Directors to act when the Municipal Manager is out of office (APPENDIX 1). In the meantime, some of the individuals have left and the new organisational structure was approved in October 2017. The new structure has now officially been implemented on an operational level after placements and the acting arrangements must be updated and reviewed. Section 56 (1) (a) of the Municipal Systems Act provides that the Municipal Council must appoint an acting Municipal Manager under certain circumstances and for a period as prescribed. Section 56 (1) (b) provides that such an acting person must at least have the skills, expertise, competencies and qualifications as prescribed. The prescription is attached as per APPENDIX 2.

It must be noted that the NQF levels changed since the publication of the minimum requirements and what was a NQF level 6 is now equivalent to a NQF level 7 which equates to at least a B degree. All the Directors had to adhere to this qualification when they were appointed, as NQF 7 has always been a requirement for them in terms of the regulations.

It can be anticipated that there will be occasions when the Municipal Manager will be away from office or not available due to a variety of reasons. An updated roster of acting arrangements is proposed as a pragmatic arrangement to manage this matter.

Council approved an acting allowance policy in terms of which no acting allowance is payable to Directors when they are acting as the Municipal Manager. A copy hereof is attached as APPENDIX 3. It is not clear on what basis Directors may not receive acting allowances, but the other employees are entitled to acting allowances when they act as Directors. Other municipalities pay their acting Municipal Managers an acting allowance. Given that it is expected of the Director to fulfil both functions at the same time it would be unfair that Directors take on the additional responsibility, which is the reason why an acting allowance is paid, without compensation.

18TH COUNCIL MEETING: 2018-07-25: ITEM 7.10.2

2. PURPOSE OF REPORT

To provide information regarding the expenditure incurred for investigation by MPAC and to be recommended to and considered by Council to ratify the expenditure in terms of Section 4.36.1a (i) of Stellenbosch Municipality Supply Chain Policy (2017/2018).

3. DELEGATED AUTHORITY

Council to ratify the expenditure as the specific nature of the breach is simply technical in nature, not impacting in any significant way on the essential fairness, equity, transparency, competitiveness or cost effectiveness of the procurement process relating to the procurement of emergency repairs to inlet screen.

4. EXECUTIVE SUMMARY

Stellenbosch Municipality makes use of mechanical and electrical service providers in instances where reactive maintenance or repairs could not be performed by the in-house maintenance team.

On 25th December 2017 the maintenance team was contacted by Wemmershoek Wastewater Treatment staff to attend to a faulty inlet screen. The Millwright who is the qualified mechanical/electrical staff member of the team, contacted service providers to assist with the necessary repairs in order to re-commission the equipment.

The service provider was instructed to do direct repairs due to the timeframe and urgency of the work that needed to be performed. The emergency repairs were completed on 26th December 2017 and in terms of the current policy a report had to be submitted within three days. Delays in submitting the required quotation resulted in the administrative requirements not been adhered to.
18TH COUNCIL MEETING: 2018-07-25: ITEM 8.1.1

RESOLVED (majority vote)

(a) that Council takes note of the circumstances as provided in the report, and approves the ratification of the expenditure to the amount of R17 527.70 (including VAT); and

(b) that Council ratifies the expenditure in terms of Section 4.36.1a (i) of Stellenbosch Municipality Supply Chain Policy (2017/2018).

Councillor DA Hendrickse requested that his vote of dissent be minuted.

   To obtain Council's approval for the revised electricity tariffs as approved by NERSA as well as adopting a new agriculture tariff for the Pniel/Hollandsche Molen take over from Drakenstein Municipality

3. DELEGATED AUTHORITY

   FOR APPROVAL BY MUNICIPAL COUNCIL

   Section 24 of the Municipal Finance Management Act (Act No 56 of 2003) prescribes to municipalities the process for the approval of municipal tariffs, which is as follow:

   (1) The municipal council must at least 30 days before the start of the budget year consider approval of the annual budget.

1. SUBJECT: ELECTION OF AN ACTING SPEAKER IN TERMS OF SECTION 41 OF THE LOCAL GOVERNMENT STRUCTURES ACT, ACT 117 OF 1998

2. PURPOSE

To elect an acting Speaker in terms of Section 41 of the Local Government Municipal Structures Act, No 117 of 1998.

3. DELEGATED AUTHORITY

Council

4. EXECUTIVE SUMMARY

Council elects a Speaker in terms of Section 36 of the Local Government Municipal Structures Act, no 117 of 1998, and Section 41 of the Act further provides for the election of an Acting Speaker if the Speaker is absent or not available to perform the functions of the Speaker or during a vacancy.

The Speaker elected at the first meeting of Council, Councillor Donovan Joubert, resigned as Speaker from 25 July 2018. The letter sent to the Municipal Manager dated 23 July 2018, is attached as Appendix A. There is therefore a vacancy amongst the office bearers and Council must either elect an acting Speaker in terms of Section 41 or elect a new Speaker in terms of Section 36 (fill the vacancy).

Section 36 that provides for the process to elect a Speaker for Council does not refer to the election an acting speaker. The provisions in Section 36 are therefore not used when an acting speaker is elected, but applicable to the permanent filling of a vacancy. Council may elect an acting Speaker only to chair a specific meeting or for a period until the vacancy of the Speaker is filled for the duration of the term of Council.

18TH COUNCIL MEETING: 2018-07-25: ITEM 8.2.2

[In view of the vacancy occasioned by the resignation of the Speaker, Cllr DD Joubert, the Municipal Manager, who chaired the opening segment of this meeting, requested that this item on the election of an acting Speaker be dealt with as first business on the agenda. 1. REPORTING ON THE RELIEF AND CHARITABLE FUND (MAYORAL FUND) – 2017/2018

2. PURPOSE

The Executive Mayor receives on a regular basis requests for grants, donations and financial assistance from various organisations, groups and individuals. Most of these are dealt with through the normal Grants-in-Aid Policy, but some deserving requests fall outside the ambit of the policy.

It is thus along these lines that a mechanism was put in place that could address these deserving relief and / or charitable cases. In this regard a “Relief and / or Charitable Fund” was established for this purpose.

3. DELEGATED AUTHORITY

Council

4. EXECUTIVE SUMMARY

The fund was established during 2017. The purpose of the item is to provide feedback on the donations that have been paid out to applicants in line with the Guidelines approved by Council.

The Municipal Manager must report to Council in respect of the status of the “Fund” including amounts withdrawn, and the names and amounts of the beneficiaries. Any donation(s) received must also be reported.

A Mayoral Golf Day was held at Stellenbosch Golf Club, and a donation of R100 000.00 was received towards the fund.

On 12 April 2018, a Mayoral Golf Day was again held at the Stellenbosch Golf Club and R75 000.00 was pledged towards the fund.
