8. MFMA SECTION 116(3) – EXTENSION OF THE CURRENT MULTIFUNCTIONAL OFFICE AUTOMATION CONTRACT FOR A MAXIMUM PERIOD OF TWO MONTHS

Collaborator No:  
IDP KPA Ref No:  Good governance and Compliance  
Meeting Date:  10 December 2018  

1. SUBJECT: MFMA SECTION 116(3) – EXTENSION OF THE CURRENT MULTIFUNCTIONAL OFFICE AUTOMATION CONTRACT FOR A MAXIMUM PERIOD OF TWO MONTHS

2. PURPOSE

To obtain approval from Council to follow the MFMA Section 116(3) process to extend the existing Multifunctional Office Automation Solution contract on a month-to-month basis but not exceeding 2 months till the supplier is appointed.

3. DELEGATED AUTHORITY

Council.

4. EXECUTIVE SUMMARY

The current contract with Pinnacle Business Solutions / APEX comes to an end as of 31 December 2018. In order to contain printing costs but maintain high service levels, it was best to participate in the National Treasury Transversal Contract RT3-2018 FOR THE SUPPLY, DELIVERY, INSTALLATION, COMMISSIONING AND MAINTENANCE OF OFFICE AUTOMATION SOLUTIONS TO THE STATE FOR THE PERIOD 1 OCTOBER 2018 TO 30 SEPTEMBER 2021.

The Transversal contract ONLY became available for use as of 1 October 2018 with amendments running through till 11 November 2018. This resulted in an untimely delay for the Stellenbosch Municipality to participate in such contract. The Municipality is still in the process to approve the participation in transversal tender. National Treasury required assessment of current desktop printers and multifunctional tenders before they approve our participation from their side. This assessment is currently being undertaken with a time line completion on 14 December 2018. This has the consequence that the Municipality will probably not be in a position to consider the participation in the transversal tender before the beginning of January 2019. The implementation must then be initiated and rolled out resulting in the request for an extension on the current contract for the Multifunctional devices until the transversal tender can be considered and implemented.

SPECIAL COUNCIL MEETING: 2018-12-10: ITEM 8

RESOLVED (nem con)

(a) that Council notes, in terms of MFMA Section 116(3), the reasons for the extension of the Multifunctional Office Automation Solution contract;

(b) that Council gives reasonable notice of intention to amend the contract or agreement in terms of section 116(3)(b)(i);
(c) that the local community be invited to submit representations to the Municipality in terms of section 116 (3)(b)(ii); and

(d) that the Municipal Manager be authorized to conclude the contract or agreement after (c) above is finalized in terms of the applicable Act/Regulation, if no negative comments are received.
