The Mayoral Youth Skills Development Programme aims to address the high unemployment rate among local youth and the need for skills development in the Stellenbosch and Franschhoek areas.

We have enlisted the help of eXtraordinary Solutions and Leeu Collection to roll out an Assistant Housekeeping project in March 2019.

We are therefore looking for 10 passionate learners between 18 - 25 years old, who are based in Stellenbosch or Franschhoek and would like to pursue a career in a 5-star hospitality environment. Successful candidates will receive free training in the discipline of housekeeping with an accredited certificate on completion, as well as the possibility of full-time employment with a hospitality establishment based on performance.

Minimum entry requirements:

Well presented, excellent communication skills and self-motivated;
Must be a South African citizen with a minimum of Standard 9/Grade 11; and
Must reside in the Stellenbosch or Franschhoek area.

The programme will run for a period of 2 months. During that time learners will be provided with training, transport to and from specific pick-up points in Stellenbosch and Franschhoek, as well as all meals and refreshments while training and working.
