

ONLINE PUBLIC PARTICIPATION MEETING SCHEDULE: 26 OCTOBER – 04 NOVEMBER 2020

The Stellenbosch Municipality encourages participatory democracy and invites all members of the public, in accordance with the approved Integrated Development Plan (IDP) Process Plan, to participate in the planning process for the review of the Integrated Development Plan for the 2021/22 financial year.

Due to the health and safety concerns of the COVID-19 pandemic, members of the community are requested, where possible, to attend the meetings **online** through one of the links which will be made available on the municipal website and not to attend the physical meeting.

Members of the community and other interested and affected parties are encouraged to attend the **online public participation meeting** for their ward/area, as scheduled below. The links to the online public participation meetings will be made available on the municipality's website and on its social media platforms.

Members of the community who may not have access to data and or a device, to attend the online public participation meeting, may attend a venue closest to their place of residence. Unfortunately, due to the COVID-19 regulations, only 50% of the capacity of a hall may be used. Members of the community are therefore required to indicate their interest to attend the meeting at one of the venues (as indicated below) by reserving their place. To reserve a place at a venue, please email the municipality at idp@stellenbosch.gov.za.
