NOTICE

NOTICE TO ELECTRICITY CONSUMERS IN PNIEL AREA AND DE HOLLANDSCHE MOLEN

Due to unforeseen circumstances resulting from cable theft, the electricity service switchover from Drakenstein Municipality to Stellenbosch Municipality will occur on 15 February 2019 and not on 1 February 2019.

The electricity consumers should please note the following:

1. The consumer's meter number will remain the same and must be used during electricity purchases regardless of the municipality that electricity is received from;
2. Pre-paid electricity consumers must ensure that **all** pre-paid electricity tokens **purchased from Drakenstein Municipality** are entered into their electricity meter on or **before 14 February 2019**, as from 15 February 2019 the Drakenstein tokens **will no longer be valid**;
3. Indigent customers will still qualify for their 100kWh free electricity as per Stellenbosch Municipality's Indigent policy, should they be registered as an indigent consumer with Stellenbosch Municipality; and
4. All pre-paid electricity consumers will still be able to purchase their electricity from the current vendors in their area regardless of the municipality that electricity is received from.
